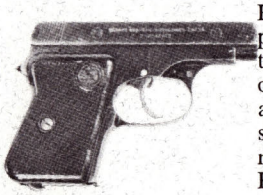
ZASTAVA CZ-99 PISTOL, CAL. 9mm PARA

Double and single action. Top quality alloy forged frame and monoblock steel slide are computer designed to ensure all pistols are completely parts interchangeable. Chrome lined, cold forged barrel is extremely accurate, even after 30,000 rounds. Will function in all conditions: extreme heat and cold, mud and sand. Completely ambidextrous. One lever acts as both the slide release and decocking lever, allowing you to drop the hammer with a live round chambered. Disassembly is achieved by flipping a lever on the frame and removing the slide forward off the frame. Square post front sight, square notch rear. Three dot tritium illumination. Black, plastic grips.

Item # 710 - Brand new in box **$559.95**
Item # 481 - Spare 10 Round Magazine ..... **$ 54.95**

CZ-45 PISTOL, CAL. 6.35mm



Based on Browning 6.35 mm blowback pistols, the CZ-45 is an updated version of the CZ-36 whose production ended with the onset of World War II. Features double action hammer and magazine safety. Very slim in design. Large 8-round capacity magazine. Overall Length: 120mm (4.7"). Barrel Length: 64mm (2.5"). Weight: 400g (14 oz.)

Item #711 - Very Good to Excellent condition ..... **$ 59.95**

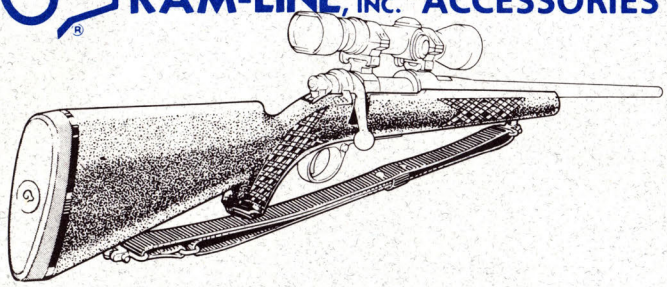
1826	Ruger 10/22	**$104.95**
1827	Ruger Mini-14	**$104.95**
1828	US M-1 Carbine (sold with black handguard)	**$104.95**

RAM-LINE® INC. ACCESSORIES



Syn-Tech Fixed Stocks

Injection molding under high pressure and temperature gives these stocks their exceptional strength. Checkered pistol grip and forearm and exclusive molded in "brushproof" texturing offer a non-slip finish. The stock is impregnated with the Classic black color so it cannot scratch off, unlike painted fiberglass. All weather use with no variation in point of aim regardless of change in temperature or humidity. Complete with: Ram-Line recoil pad, Quick Fire Sling, and Uncle Mike's quick detachable sling swivels. Specify item number from list below.

All Black Syn-Tech Stocks **$159.95**

Wood-Tech Fixed Stocks

The beauty of wood grain with the proven strength of the Syn-Tech stock. Guaranteed for as long as you own them, these stocks come with Ram-line recoil pad, Uncle Mike's QD swivels and Quick Fire sling. Specify item number from list below.

UNIVERSAL BARREL SHROUD

The Universal Barrel Shroud is all steel and fits most 12 gauge shotguns. Installation requires no alteration to the shotgun. Minor modifications to the barrel shroud may be necessary depending on the shotgun.

Item # 593 **$25.95**

MAGAZINE EXTENSIONS FOR SHOTGUNS

Our 7 and 8 shot magazine tube extensions are CNC machined from chrome moly steel tubing and are guaranteed for life. Easy to install with no alteration to the shotgun. New springs are included. The seven shot fits an 18" barrel and allows two extra rounds, the eight shot fits a 20" barrel and allows three extra rounds.

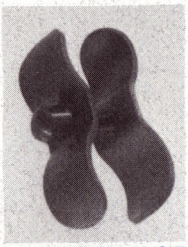
Item # 554	Remington 870 - 7 shot mag. extension	**$41.95**
Item # 555	Remington 870 - 8 shot mag. extension	**$41.95**
Item # 648	Winchester 1200, 1300, 7-shot mag. extension	**$41.95**

TACTICAL SLING

Originally designed for pistol gripped shotguns, but will fit a wide variety of firearms. Features a slip loop design for full freedom of movement from easy carry to quick access and aim. Constructed from heavy black nylon webbing with all metal buckles abnd loops and a Velcro fastener. Installation takes minutes and instructions are included.

Item # 584 **$27.95**

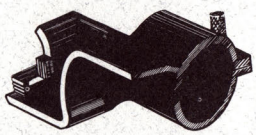
BARREL / MAGAZINE CLAMP



Provides extra support between the barrel and magazine tube and works well with the magazine extensions (#554, #555 & 648). Also used as a forward attachment point for a sling.

Item # 552 **$8.95**
(Fits Rem 870, Moss 500, Win 1200)
Item # 594 **$8.95**
(Fits Rem 1100, 11-87)

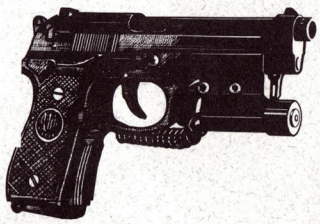
SIDECLIP QD PISTOL MOUNT



Designed for the popular Glock 17, 19 and 22, this laser / flashlight mount simply snaps onto the trigger guard. Securely holds any 1" diameter laser or flashlight. Nylon bushing included for smaller diameter lasers or AA minilights.

Item # 558 **$27.95**

LASER PISTOL MOUNT



These mounts hold zero and won't move under recoil. They accept 3/4" diameter lasersights and flashlights. Made from steel and 6061 T6 aluminum, black finish.

SOG SPECIALTY KNIVES Inc.

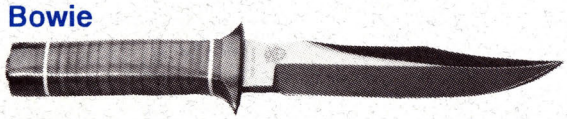
Producers of World Class Blades

Using the strongest steels and finest materials, combined with traditional hand craftmanship, to ultimately create one of the sharpest and most durable edges in the industry. Each knife is tested (RC57-58) and backed by a limited lifetime guarantee.

Desert Dagger

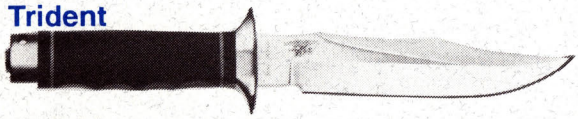
Provides 3 different edges for cutting a variety of materials. Solid steel pommel and precision fits between blade and guard enhance overall strength. Features SOG Kraton grips and is sold with a tactical nylon sheath. This Dagger is a must for the collector.
Specifications: Blade: 6-1/2" x .180", overall: 12"
Item #833 . . . . . **$159.95**

Bowie



High-carbon tooling steel, gun blued, combined with a resin-impregnated leather handle that seals out moisture. Thick blade, deep hollow grind, and faceted reinforced tip. Engraved with Vietnam 5th Special Forces Group crest. Comes with a leather scabbard and sharpening stone.
Specifications: Blade 6-1/4" x .280", overall: 10-3/4"
Item # 817 . . . . . **$364.95**

Trident

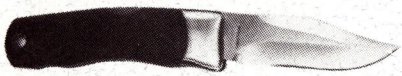


Constructed of stainless steel, using lazercut micarta washers for the handle. Faceted tip. Completely water resistant. Comes with water-proof sheath, constructed of black Cordura with tactical grommets.
Specifications: Blade: 6-1/4" x .280", overall: 10-3/4"
Item # 818 . . . . . **$364.95**

Tomcat

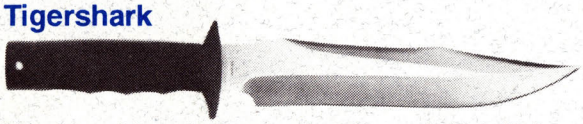
This blade shape will cut like a much larger knife, and yet fold to a small, sleek package. The all-stainless steel construction is matched with the raised point Kraton handle for superior grip. Comes with black, dual mounting nylon scabbard.
Specifications: Blade: 3-3/4" x .20", overall: 8-1/4"
Item # 819 . . . . . **$164.95**

Stingray



The Stingray is ground from high grade stainless steel. It features raised point Kraton grip, negative draft locking system, stainless steel bolsters, and one of the sharpest edges around. Weight: 3.5 ounces.
Specifications: Blade: 2-3/4" x .160", overall: 6-1/2"
Item # 820 . . . . . **$86.95**
Item # 836 - Nylon scabbard for Stingray **$13.95**

Tigershark

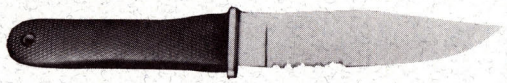


Manufactured from the finest exotic carbon steel, this knife features convex bevels, reinforced tip, and a premier rolled edge. The molded Kraton raised handle provides ideal gripping comfort. Comes with ambidextrous black leather scabbard.
Specifications: Blade: 9" x .250", overall: 14"
Item # 821 . . . . . **$216.95**

Midnight Tiger

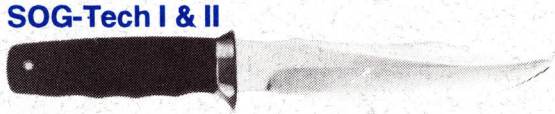
Identical to the Tigershark, except with a blued steel blade.
Item # 822 . . . . . **$216.95**

Northwest Ranger



Features 440 stainless steel construction, elongated clip point blade, flat ground bevels and a small serrated section on the blade for cutting a wide range of materials. Wrap around Kraton grip combined with thumb notches on the back of the blade give a sure, non-slip grip. Sold with lightweight nylon scabbard.
Specifications: Blade: 5" x .160", overall: 9-3/4"
Item #834 . . . . . **$121.95**

SOG-Tech I & II



Stainless steel blade combined with razor sharp bevel edges for outstanding cutting ability. Features raised point Kraton handle for positive grip and an ambidextrous heavy-duty black, nylon scabbard.
Specifications: SOG-Tech I: Blade: 5-3/4" x .250", overall: 10-3/4"
Item # 823 . . . . . **$196.95**
Specifications: SOG-Tech II: Blade: 7-1/4" x .250", overall: 12-1/4"
Item # 824 . . . . . **$212.95**

SOG Winder I & II

Feature drop point folding blade, ambidextrous thumb stud for ease in opening, all stainless steel construction and Kraton raised-point handle. A dual mounting ballistic nylon scabbard is provided with the SOG winder II, and optional with the SOG winder I.
Specifications:SOG-Winder I: Blade: 2-3/4" x .160", overall: 6-1/4"
Item # 825 . . . . . **$89.95**
Specifications: SOG-Winder II: Blade: 3-3/4" x .200", overall: 8-1/4"
Item # 826 . . . . . **$164.95**
Item # 836 - Nylon scabbard for SOG Winder I . . . . . **$ 13.95**

AIR-SOG

A lightweight, fast opening multi-purpose knife. Features an ambidextrous thumb stud and stainless steel bowie blade. The handle is molded, glass reinforced Zytel which is checkered for comfort and control. Weight: 22 ounces.
Specifications: Blade: 3-1/4" x .1", overall: 7-1/4"
Item # 827 . . . . . **$67.95**

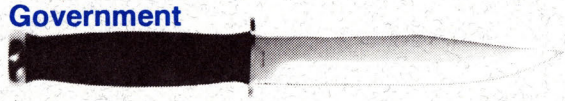
Serrated AIR-SOG

Identical to the AIR-SOG but with a serrated blade.
Item # 830 . . . . . **$67.95**

Pentagon

Stainless steel blade offers the choice between a serrated or bevel edge combined with a reinforced tip. Dual thumb notches and flared out Kraton handle offer optimal control. Sold with a black leather scabbard that utilizes an advanced clip for a variety of mounting possibilities.
Specifications: Blade: 5" x .160", overall: 9-3/4"
Item # 828 . . . . . **$136.95**

Government



All stainless steel construction, razor sharp edge and reinforced tip combined with a no-slip Kraton handle. The short crossguard allows for a forward finger position when extra leverage is required. Sold with an ambidextrous black leather scabbard.
Specifications: Blade: 6-1/4" x .180", overall: 11-1/4"
Item # 829 . . . . . **$128.95**

Recon-Government

Same as the Government but the gun-blue finish and military type nylon sheath.
Item # 831 . . . . . **$137.95**

SOG SPECIALTY KNIVES Inc. Producers of World Class Blades

MICRO TOOLCLIP®

Now Available in 4 colours:

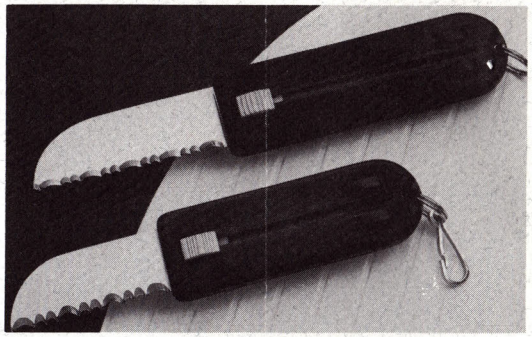
Item # 837 Black
Item # 846 Red
Item # 847 Yellow
Item # 848 Green

$74.95

The Micro-Tool Clip fits in the palm of your hand, but has features normally found on larger tools: pliers, gripper, wire cutters, pry bar, drop point blade, serrated blade, file, screwdriver and wire stripper. All blades are top quality 400 series stainless steel, hold an edge and are extremely sharp. Handles are steel reinforced lightweight Zytel and incorporate the carrying clip.

SOG SPECIALTY KNIVES Inc. Producers of World Class Blades

E Z KNIFE



High tech space saving knife which features a sliding button that allows the serrated blade to be locked in the open or closed position. Easy one hand operation. Can be carried in a pocket, purse, as a keychain, money clip or clipped to a pocket, belt or pack. Zytel handle. 400 series stainless steel blade.

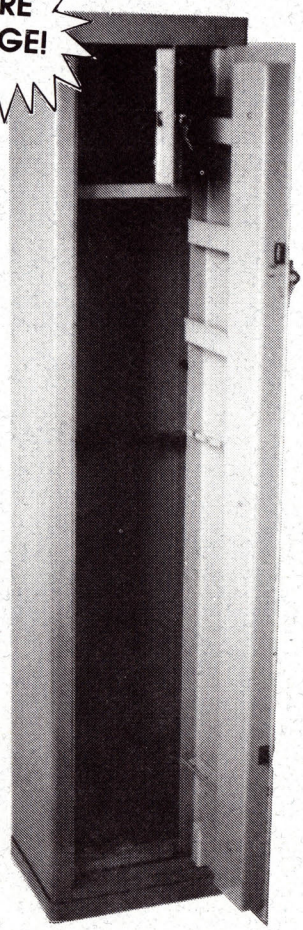
ALL STEEL GUN CABINET

SECURE STORAGE!



Heavily reinforced top and bottom for maximum rigidity. Constructed from 1/8" seamless welded steel. The locking edge is built up to 5/16". The door has concealed hinges producing an interlocking door for added security.

The exterior is hammer finished in silver green enamel and the interior is light grey

Inside, there is an additional locking compartment at the top which is ideal for double securing your handguns, important papers or jewelry. Below this compartment there is enough clearance for rifles up to 51 inches long. The felt lined wood spacer can accomodate up to four rifles, however more will fit. On each side wall of the cabinet there is a hook for cartridge belts or bags. The interior of the door has three shelves for ammo and slots for three full length cleaning rods.

Cabinets Dimensions:
Height: 65-1/2" (168 cm)
Width: 13-1/2" (35 cm)
Depth: 11-1/2" (29 cm)
Weight: 150 lbs. (68 kg)

Inside Compartment:
Height: 11-1/4" (28 cm)
Width: 13" (33 cm)
Depth: 8-1/2" (22 cm)

Item # 500 . . . . . **$279.95**

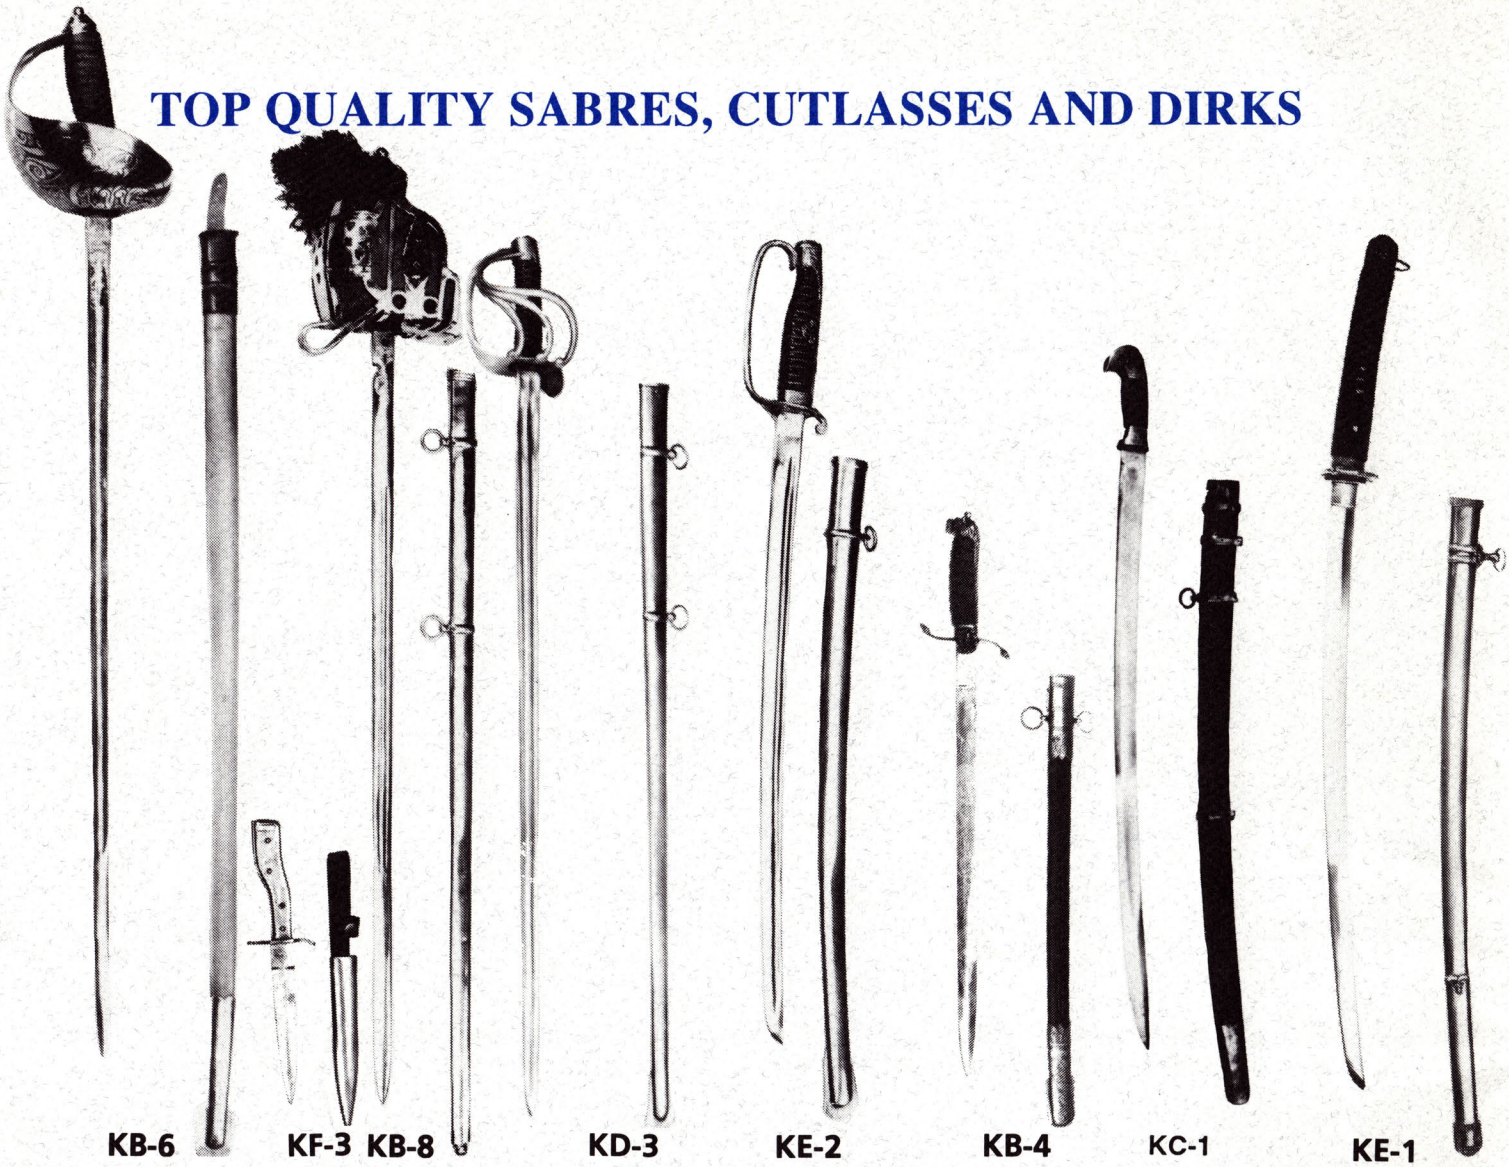
Item # 518 . . . . . **$9.95**

TOP QUALITY SABRES, CUTLASSES AND DIRKS



These swords are true to the original. They include original markings, dates, serial numbers and manufacturer's name where they would be found on the original. The perfect gift for the collector of edged weapons, or any collector of military memorabilia. Affordable reproductions that are the perfect alternative to the expensive originals. All of these items are newly manufactured from high quality tempered steel.

British Midshipman's Dirk P1827

Item # 32035 (KB-4) **$166.95**

Carried by British Royal Navy Midshipmen, this finely-crafted dirk features: brass grip with lion-head pommel; etched steel blade; and leather scabbard with brass fittings. Overall: 24". Blade: 18.3". Weight: 1.5 lbs.

British Cavalry Officer's Sword P1912

Item # 32036 (KB-6) **$184.95**

Carried by British Cavalry Officers during WWI, this elegant sword features: leather grip bound with gilt-wire; steel bowl style handguard with "scroll" design; etched steel blade and pigskin service scabbard. Length: 45". Blade: 35". Weight: 3 lbs.

Scottish Highland Broadsword P1831

Item # 32037 (KB-8) **$244.95**

One of the most attractive military swords available. Based on a pattern dating from 1740, this distinctive basket-hilt broadsword features: pierced steel handguard with red felt liner; leather grip with gilt wire binding; etched steel blade and polished scabbard. Length: 41". Blade: 32". Weight: 3.8 lbs.

Russian Cavalry Trooper's Shasqua

Item # 32039 (KC-1) **$159.95**

Carved, wooden grips on brass hilt which is curved for a better grip. Best known Russian edged weapon. All leather scabbard with steel fittings and collar. 37" overall length. Blade: 31.5"

Japanese WWII Officer's "Shin Gunto"

Item # 32042 (KE-1) **$244.95**

This "Shin-Gunto", or "new military sword" features: brass handguard with brass pommel; cord wrapped hilt; button release scabbard-latch; hand forged carbon steel blade; polished steel scabbard with brass collar and fittings. Overall length: 37.4". Blade: 26.5". Weight: 3.4 lbs.

Japanese Army Officer's "Kyu-Gunto"

Item # 32043 (KE-2) **$204.95**

The "Kyu-Gunto", or "prototype military sword" dates from 1877. The hilt is gilt-finished brass and the leather grip has gilt-wire binding; a spring clip stud set in the collar acts as a scabbard lock. All steel scabbard is polished and adds to the elegance of this rare, well balanced and decorative sword. Length: 34". Blade: 25". Weight: 2.75 lbs.

French Curassier ANXI Broadsword

Item # 32041 (KD-3) **$184.95**

Similar to the Russian M1839 except for minor differences in the fittings. Four branch brass handguard and bright finished metal scabbard. Leather wrapped grip with wire binding. French markings on the blade. Blade length: 38". Overal: 44". Weight 3.5 lbs.

German WWI Crankhandle Bayonet/Trenchknife

Item #32045 (KF-3) **$72.95**

For Mauser K-98. All steel construction. Complete with steel scabbard and leather frog. Overall length: 11" (28 cm). Blade length: 6" (15 cm).

HATCHBAG

"TAKE THE HASSLE OUT OF HAULING"

The innovative new Hatchbag is the ideal way to protect the cargo space of your 4X4, station wagon or van.

It's a tough, vinyl coated fabric cargo liner that attaches quickly with the supplied velcro strips. Hatchbag is easily removed for cleaning and re-installs in minutes.

Ideal for transporting pets, wood, boots and other materials for a weekend away. Hatchbag can also help keep your car clean when you go on a camping or hunting trip.

Waterproof, washable and folds away for easy storage. The Hatchbag is available in many different models and sizes, each *tailor made to fit snugly in the cargo area* of a specific vehicle.

The Hatchbag is currently available for: Chrysler, Ford, GM, Isuzu, Jeep, Mazda, Range Rover, Mitsubishi, Nissan and Toyota 4X4 vehicles. Also made for Chrysler, Ford, GM, Mazda, Nissan and Mercury Mini-Vans and Ford, GM, Honda, Mercury, Mercedes, Peugeot, Saturn, Subaru, Toyota, Volvo and Volkswagen Station Wagons.

To place an order for a Hatchbag, please have the following information available:

* Vehicle manufacturer, model and year.
* Number of doors.
* Size and location (inside or outside) of spare tire.
* Advise whether you will use Hatchbag with your back seat folded down (FULL) or in the upright position (REG).
* Mini Vans are fitted with third seat out. Hatchbag is not available for Mini-Vans with Captain Chairs/Bucket Seats in the last two rows, (Mini-Vans use FULL model).

HATCHBAG PRICING INFORMATION

REGULAR MODEL (FOR 4X4 AND STATION WAGONS WITH SEAT UP):	$149.00
FULL MODEL (FOR 4X4 AND STATION WAGONS WITH SEAT FOLDED DOWN AND MINI-VANS):	$189.00
